ABOUT OUR INTRODUCTORY COURSES

Our Introductory exams are the perfect start for both young learners and those who have never taken an exam before.

By learning the words of a fun poem from the likes of Michael Rosen and Valerie Bloom our Introductory learners are developing the ability to express themselves clearly while also improving their memorisation and recall.

Not only that, they are also gaining in self-confidence as they talk about the things they love, like their favourite toy, place or book. These conversations encourage our learners to feel at ease with answering questions, listening and using description.
